Novagraaf 7 steps to success

Novagraaf's patent annuity services are designed to take the pressure off patent portfolio management.

4

Instruct our dedicated renewals department through our online portal, by post or email, for prompt action whether you are confirming a renewal or have chosen to abandon a right.

5

Manage costs thanks to the transparent reporting on our online portal, showing past costs and upcoming payments, enabling you to review, consult and budget your portfolio.

6

Relax as we renew rights on your behalf, making payments to patent offices worldwide or via our network of trusted agents.

7

Receive confirmation that the renewals are complete: we will provide official receipts and/or proofs of payment
